All pets making the transition from the shelter to a new home need time to adjust to a new family and may require housetraining and behavior training. Are you willing to provide any needed training? Yes No

Information regarding the history, health and behavior of adopted animals may not be available or accurate. What behavior would you be unwilling to work with? _____

What reasons might cause you to return this pet? _____

Because so many shelter animals have unknown medical histories, a quarantine period is recommended if you have other pets at home. Also, a visit to your vet is a good idea. Even though we worm and treat the animals in our facility, it is not guaranteed that they do not have intestinal parasites.

30 DAY RETURN POLICY - All pet adoptions are given a 30 day period during which time you may return the pet and receive an Adoption Credit valid towards the adoption of another animal. This certificate is valid for 90 days. No reimbursement will be given should the new transaction be less than the value of the adoption. If this should occur, the balance will be considered a donation to the Society. If you decide on an adoption that is more expensive, you will need to pay the extra adoption fee. **NO CASH REFUNDS.**

As the new owner, you agree to take full responsibility for the care and well-being of this pet for its lifetime. Once the adoption is finalized, you will be responsible for all medical bills. If for any reason this animal does not work out, you MUST return the animal to our facility. By signing below, I certify that the information I have given is accurate and complete and agree to this contract.
